Organizational Announcement

I am very pleased to announce the addition of Cliff Blythe to our Sales and Marketing team, in the position of Sales Representative, Mechanical Products effective September 28, 2005. Cliff will be reporting to John P. Rankel, Regional Manager.

His responsibilities will revolve around managing his sales territory for mechanical products. This will require identifying, setting up, and growing the business through wholesale distribution, gaining specification listings with mechanical engineers, architects and owners, and targeting projects through mechanical contractors.

Cliff Blythe comes to Tyco Fire & Building Products with over 29 years of mechanical market experience, and a proven track record of success. Cliff has held positions with several leading manufacturing companies and distributors in the mechanical industry ranging from VP of Sales and Marketing, to working in the warehouse and purchasing.

Cliff's sales territory includes the Pacific Northwest. Please join me in welcoming Cliff to Tyco Fire & Building Products, and offering him our support as we continue our growth into the mechanical marketplace.

Jason O'Nan
Director, Sales – Mechanical Products
